[Workshop - Session No. 2]

Team Coaching to Advance Team Culture in Primary Care

• *Vani Patterson, Rajesh Mangrulkar, Thomas W. Bishop, Cindy Marteney*

1:45 pm – 3:15 pm ET

[Workshop - Session No. 3]

From Panic to Prepared: A One Health Interprofessional Disaster Simulation

• *Ashley Higbea, Kathryn Panasci, Kyle Johnson, Michelle Kiser*

[Workshop - Session No. 4]

Collaborative Care in Action: Enhancing Communication and Teamwork in Mental Health Settings

• *Elizabeth Swann, Shari Rone-Adams*

3:30 pm – 4:00 pm ET

[Lightning Talk – Session No. 5]

Preparing Practice-Ready Professionals: An Interprofessional Simulation Approach to End-of-Life Care

• *JoAn Stanek*

[Lightning Talk – Session No. 6]

5:15 pm - 6:45 pm ET – Poster Presentations

[Poster No. 1]

Bridging disciplines by Designing Messages to Address Antibiotic Resistance and Watchful Waiting: Effects of Referencing, Framing, and Visuals

• *Elizabeth M. Glowacki*

[Poster No. 2]

Teamwork in Action: A PT/OT Interprofessional Simulation for SCI Rehab

• *Nardia Aldridge, Kim B. Smith, Gayle Ross*

[Poster No. 3]

Interprofessional Initiative on Food Insecurity and Insulin Use

- *John Wimmershoff*

[Poster No. 4]

From Drills to Pills: Incorporating Pharmacology Education into Speech-Language Pathology Training

- *Ellayne S. Ganzfried, Cindy Paradiso, Christopher R. Hanley*

[Poster No. 5]

From Silos to Safeguards: Interprofessional Collaboration in Child Maltreatment Education

- *Laura Kunkel, Tracy Orwig*

[Poster No. 6]

Connecting Interprofessional Education and Practice through Pro Bono Clinics

- *Lydia Thurston, Catherine Hechmer, Allison Hernandez, Denise O'Dell, Brian Sick*

[Poster No. 7]

Collaborating for Kidney Health: A Team-Based, Evidence-Informed Model

- *Greg Hartley*

[Poster No. 8]

Wake Up and Breathe Together: Interprofessional Policy Development for Ventilator Liberation

- *Kara Willett*

[Poster No. 9]

Parkinson's Together Symposiums: Advancing Interprofessional, Patient-Centered Learning

- *Shashank Obulasetti, Chole Sabile*

[Poster No. 10]

Creating Connection: IPE Culture in Healthcare Education

- *Larissa Jordan, Kelly Kennedy, Nancy Colletti*

[Poster No. 11]

Improving Outcomes with Communication Access: Breaking Barriers and Building Bridges

- *Donna Smiley, Travis Threats, Ellayne S. Ganzfried, Lynne Brady Wagner, Vani Patterson, Thomas Tedeschi*

[Poster No. 12]

Patient Perspectives on Collaborative Care: Integrating Geri-Educators into Interprofessional Education

- *Kimberly Indovina*

[Poster No. 13]

Building an Interprofessional Dedicated Teaching Clinic: Everyone Teaches, Everyone Learns

- *Dana Burns*

[Poster No. 14]

Developing Socialization and Cultural Humility in Healthcare Learners: Multiyear Insights

- *Elizabeth D. Deluliis, Sarah Manspeaker Abigail Delehanty, Susan H. Kelly*

[Poster No. 15]

Community Health Collaborative: Connecting Academies to Achieve Health for All

- Amy Buckenmeyer, Brian Cross

[Poster No. 16]

Wellness Across the Lifespan: An Interprofessional Healthcare Event

- Nancy Landgraff

[Poster No. 17]

Interdisciplinary Undergraduate Research Mentorship: Pearls from the INTREPID Program

- Dawn Turnage, Norma Conner, Helen Huang

[Poster No. 18]

Enhancing Prescription Safety Through Interprofessional Education

- Rolake Neba

[Poster No. 19]

Disrupting the Traditional Medical Model Through a Cultural Humility Framework

- Aswood Bousseau, Vilna Tejada

[Poster No. 20]

Design, Research, and Interactive Gameplay of the IPE Game COLLABORATE

- Valerie Wright

[Poster No. 21]

Enhancing Healthcare for Limited English Proficiency Patients Through Simulation

- Jennifer Roye

[Poster No. 22]

Multidisciplinary Healthcare Professionals' Attitudes and Family Engagement in the ICU

- Brigitte Cypress

[Poster No. 23]

Building Collaborative Capacity: A Virtual Model for IPE Leadership Development

- Gayle Timmerman, Veronica Young

[Poster No. 24]

LINC Longitudinal IPE Program Prepares Students for Interprofessional Practice

- Sadie Trammell Velasquez, Joseph A Zorek

Innovative Neuro Simulation: OTD and PTA Students Advance Collaborative Practice

- *Becky Piazza, Angela Cao*

[Poster No. 32]

Ctrl+Z at the CDC: Following the CDC's Digital Footprints

- *Heidi Wagner, Emily Raus, Joycelyn Yamzon*

[Poster No. 33]

[Poster No. 34]

Leveraging a Centralized LMS for Multi-Institutional Interprofessional Education

- *Tracy Orwig, Bau Tran, Noelle Fields, Ana Marcial, Jennifer Roye*

[Poster No. 35]

Strengthening Trauma-Informed Care Through Interprofessional Collaboration

- *Emily Eddy, Judy Blackburn*

[Poster No. 36]

Upskilling Faculty to Facilitate Interprofessional Education

- *Sarah Manspeaker, Elena Donoso Brown*

[Poster No. 37]

Bridging the Gap: Law and Nursing, "Reimagined Together" Empowering Interdisciplinary Health Leaders

- *Allison McHugh*

[Poster No. 38]

Teaching Interdisciplinary Chronic Disease Management at the Master's Level

- *Stephanie Large*

[Poster No. 39]

Bridging the Gap: An Evidence-Based Diabetes Education Pilot Program

- *Rachell Nguyen, Herbert Ortiz, Roxanna Lara, Olusola Oyelami*

[Poster No. 40]

From Idea to Impact: Designing and Hosting Cross-Academy NAP Webinars

- *Meridith Madden*

[Poster No. 41]

Strength through Collaboration: Utilizing Evidence-Based Models to Train Interprofessional Teams

- *Pamela Taylor, Ellen Thursby, John Halloran*

[Poster No. 42]

Cases of Patients: Down syndrome

- *Susan Switzer, Sue Wenker, Jennifer Timm*

[Poster No. 43]

Stabilizing Families: Healthy Grandparent Program Collaborative Care Model

- *Pamela Cromer, Michael Patton, Denotra Gaillard, Jacqueline Thomas*

[Poster No. 44]

Exploring Identities to Foster Interprofessional Belonging and Collaboration

- *Kimberly Indovina, Erika Lourenco de Freitas*

[Poster No. 45]

A Continuum of Interprofessional Learning: Clinical Decision-Making to Social Context

- Casey Peterson, Jinnie Tkach

[Poster No. 46]

Global Patterns of Telehealth Use and Satisfaction in Health Services

- Preshit Ambade, Neil MacKinnon

[Poster No. 47]

Working with child Psychiatry Fellows: An Innovative Model of Interdisciplinary Training and Collaboration Applicable to other Possibilities

- Anne Gearity

[Poster No. 48]

Story-telling as a Teaching Tool

- Stephen Wood

11:15 am – 11:45 am ET

[Lightning Talk - Session No. 9]

Supporting the Pediatrician's Role in Early Relational Health and Resilience

- Anne Brisendine

[Lightning Talk - Session No. 10]

Collaborative Design in Interprofessional Education: ID + OT Perspectives

- Ashley Bondurant, Lima Ghulmi

1:30 pm – 2:30 pm ET

[Roundtable – Session No. 11]

Learning Together, Teaching Each Other; Interprofessional Peer Pedagogy

- Jennifer Tokash

[Roundtable – Session No. 12]

Fostering Collaboration Through Interprofessional Learning for Healthcare

- Stephanie Rexing, Erin Parchman, Pamela Thomas

2:45 pm – 3:15 pm ET

[Lightning Talk - Session No. 13]

Belonging and Mattering in the Interprofessional Healthcare Workplace

- Bimpe Adenusi, Arvie Vitente, Lydia Thurston, Olaide Oluwole-Sangoseni, Andrea Pfeifle, Laurel Daniels Abbruzzese, Phyllis Simon, Barbara Maxwell, Travis T. Threats, Kathy Lee Bishop

[Lightning Talk - Session No. 14]

Designing Exposure-Level IPE Through Knowledge Exchange Events

- *Kris Hall, Elizabeth Crampsey, Sally McCormack*

3:30 pm – 4:00 pm ET

[Lightning Talk - Session No. 15]

Optimizing Chronic Disease Care Through an Interdisciplinary Patient Education Model

- *Adenike Atanda, Teresa Wagner*

[Lightning Talk - Session No. 16]

Standardized Patients as Coach-Facilitators for Interprofessional Simulation

- *Elshimaa Basha*
